DiOrio's Supermarket

Old Forge, NY 315-369-3131

Welcome to Old Forge and DiOrio's Supermarket. We want to make your time here in the Adirondacks as relaxing as it can be without worrying about grocery shopping. As a free service, we have been taking orders and delivering to the elderly for many years and we feel this is a great addition to the services already offered by our store. The service is easy, all you have to do is download the grocery list, fill it out and we do the rest. The delivery area is Old Forge, Inlet and surrounding areas. You can call us to be sure delivery is an option for your rental house. The minimum order is $75.

We have a few options available to you on our website (dioriossupermarket.com):

1. You can download our order form and email or fax it back to us before your arrival and it will be waiting for you when you arrive in Old Forge. Orders received by Noon will be ready by 2pm and orders received after will be ready depending on when you call. We appreciate all orders in by Noon. This is a $7.50 fee.
2. After you download our list, email or fax it back to us and we will DELIVER to your rental house. We would make arrangements with your rental agent to access your vacation house. This is a $15 fee. (for an additional $5, we would put your groceries away for you if you're not here)
   *Be sure to call and verify that we received your order please.
3. Click on curbside orders and it will bring you to a google dock that will be emailed directly to us.

Our list is very detailed, but if there is something you need, please add it at the end of the list. Seafood is something we need ordered by Monday of the week you need it. If you have any questions or comments, please feel free to call us at 315-369-3131 or email us at diorio sof@gmail.com. We look forward to making your vacation in Old Forge a memorable one.
